## Missionaries to Perú

To Our Faithful Supporters,

**JUNE 2024**

**Psalm 23:3 “He restoreth my soul: he leadeth me in the paths of righteousness for his name’s sake.”**

**We are praying for God’s leading as we make final plans for our trip to the States from July 5<sup>th</sup>-December 29<sup>th</sup>. Our schedule will have us in over 50 churches through 30 States and three countries within six months.**

**Please pray with us that God will provide, protect, and lead us and for God to allow us to be a blessing to our supporting churches and family.**

**These last two months have been adventurous for us as we continue with the weekly ministry routines of evangelizing, church services, kid’s club, and discipleships. We’ve also experienced missions trips to new villages; hosting a group from First Baptist Church of Wixom, Michigan; hosting a visiting pastor from Lima; and making furlough plans. We now have a new letterhead for our prayer letters, a new prayer card and a new table display to show to churches. We are still in the process of arranging a new video presentation as well.**

**God is answering prayers, and we rejoice in what He has done. We have been praying for Christian fellowship, as working as a couple in the jungle can get lonely at times. Our visitors from Michigan overwhelmed us with fellowship, gifts, and encouragement during their ten days with us. They helped us with ministry projects and work projects despite being from a different country and speaking a different language. Their love for God, the Peruvians and for us was evident throughout.**

## Missionaries to Perú

The church has been able to gather together and invite visitors to celebrate Mother's Day, Father's Day, birthdays and special speakers these last two months.

We would like to ask for prayer for a couple of families in our church. Patricia is one of the ladies in our congregation, and she recently had to have surgery to remove a benign tumor in her abdomen. Please pray for her recovery, as she has two small girls at home and her husband is often called away for work. Sven and Ingrid are a

couple in our church and have been building a house across town. This last week, robbers entered their property (they have yet to finish their home so it is still empty) and took all of Sven's tools. It will take a considerable amount to replace them, and he needs them as his livelihood is that of a handyman. Please pray that they will be able to find those who robbed them and that his tools will be returned.

We look forward to seeing many of you soon and pray for the steadfastness and growth of the church here in Peru in our absence.

Serving a Great God,  
Jon & Nisha Harris
